### PROPERTY DESCRIPTION

NEW LISTING: This spacious home features a great open floor plan! Kitchen features a convenient center island & dining area, open to beautiful living room with hard wood floors and gas fireplace. Tray ceiling and recessed lighting accent the master suite with separate master bath, tiled tub/shower, and walk in closet. 2 other main floor bedrooms with guest bath. Basement has approximately 1900 finished sq feet featuring a huge carpeted family room with 2 egress windows, 2 more bedrooms, store room, 2 large closets, utility room, and full bath. Heated/insulated triple garage, sprinkler system, stamped concrete patio, storage shed, and fenced in backyard. Great location close to grocery stores and schools.
